

# COMICS and more

*Bigger, Better, Cooler!"*

## Our new King of Prussia store opens Tuesday February 15th

Dear Friends and Valued Customers-

We have good news! And great news! First the good news; we shut down the King of Prussia newsstand/kiosk and have a new store located in the Court. The great news, the new store is **huge**, way bigger than the old store. What does this mean for you? It means a larger selection of comic book and trade paperback titles; t-shirts in excess; gaming and game nights; toys and statues galore; special events, and so much **More**. Think of it like an Oreo with double stuff, you get a great cookie with double the stuff! And you *deserve* it.

Thank you one and all for sticking with us through our transition, your kind words and loyalty helped to make the best out of a bad situation. Looking ahead, we hope to bring you the destination comic book store you have always wanted. Below is a map of the upper level of the Court. Our new location is marked by an **X**. **See you soon!!**
